My name is Marcus Edwards, I live at 270 N Main St. in Zionsville. Im a lifelong Zionsville resident. My emails are in regard to this Historic Preservation Society. Im opposed to this because I feel like it will not put Zionsville in the direction we need. I truly believe that Zionsville is unique because of all the different home designs over the years. We have never had anything like this in place and look how Zionsville has turned out. I believe this will only hurt the Village. This is just more government and permits. My vote is No. Thanks
